Board of Education

LEFT TO RIGHT: Dan Knurek, Vice President; Irving Richards, Joe Lošonsky, Earl Lewis, President; Superintendent G. H. Burns, Bernice Schroepel, Clerk-Secretary; John Names.

Looking Ahead in 1954

We are taught to think positive, not negative; to look up, not down; to look ahead, not backward. We know this Class of 1954 will look forward to meeting the problems of the future with all the vim and vigor, the eagerness and enthusiasm, that is possessed so largely by the young men and women who form this class.

For the past dozen years, you have been preparing yourselves for the day when you will gradually slip from the protecting wing of your parents and finally stand alone even as they did before you. Some of you will seek employment, others will marry and form new households while still others will continue their education.

Regardless of what you do, there will be problems to solve, difficulties to untangle, battles to be won over and over again. This board is confident that the Class of 1954 will measure up to and exceed the standards which have been set by your predecessors.

G. H. BURNS, Superintendent

Class of 1954, congratulations on a fine year book and on the completion of your high school course.

I hope you will continue to move forward, dedicating your lives to the improvement of your own character and to the enrichment of society. Be world builders and benefactors. A man rises to his full stature when he discovers the great truth—I am here not to get but to give.

E. E. ANDREWS, Principal

Moral, ethical, and spiritual values have been from the first an indispensable element of the program of the American public school. We shall continue to employ every means possible to instill high moral principles in our youth of today. We regard this building of strong character in our boys and girls as our most lofty objective, and join in friendly partnership with the home, the church, and all other constructive community agencies to this end. When we build, let us think we build forever. Let it not be for present delight nor present use alone.

History of the Class of 1954

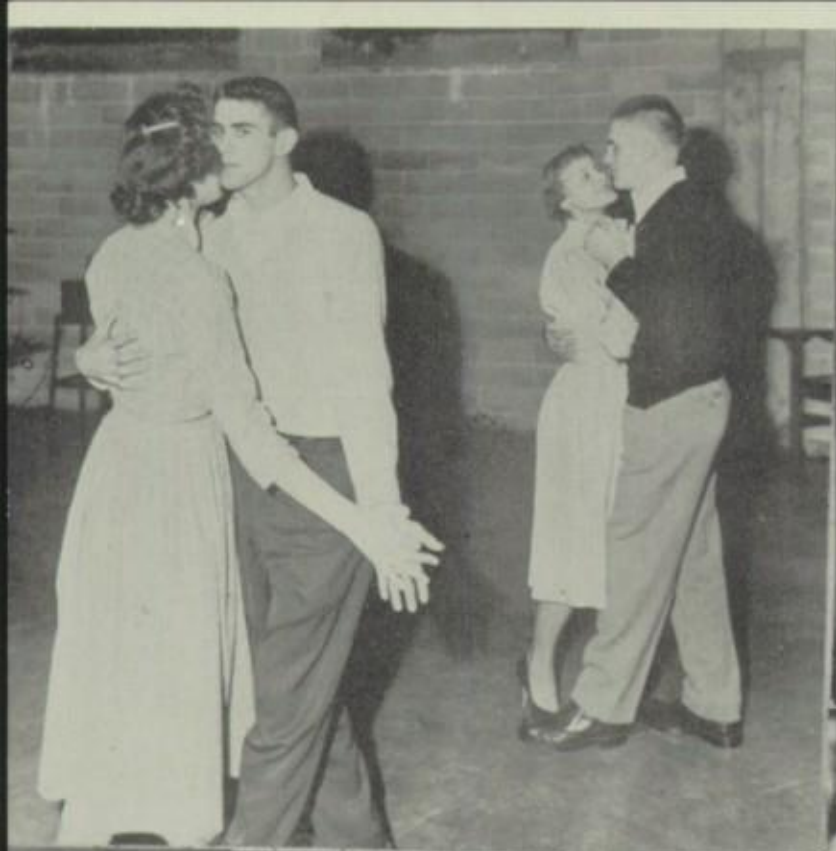

We started out in 1950 as Freshmen with Miss Bertha Schaaf and Miss Elaine Fenner as our advisers. Pat Rattigan very ably served as our first president.

In our Sophomore year, Mr. John Colmery and Mr. James Stebins helped us in planning our Skating Party and other projects. Rod McGraw was our president.

Mr. H. R. Troutner and Mr. B. F. Butt were our homeroom teachers in our Junior year. Due to the illness of our president, Jane Bauman, the vice president, Janet Rager, took office during the latter part of the year. The whole class worked very hard to make the J-Hop and the Junior-Senior Ball a success.

In our final year as Seniors, Miss Patricia Binding and Mr. H. J. Kohler were our advisers. Everyone worked to raise a lot of money for our trip to New York. Janet Rager, as the president, kept things moving all the time and helped to make our last year very successful.

Varsity Basketball

Last year's baseball team had a fairly good season. The team won 6 and lost 5 games.

Under the excellent coaching of Mr. M. E. Long, the boys were in good shape to start the 1954 season.

Mr. M. E. Long is looking forward to a better season this year with about half of the boys returning.

Senior boys who are returning this year are Dick Malik, Gene Kovach, Bud Canfield, Bob Gyori, Les Vicary, and Ron Bielski.

The 1953-54 Baseball Schedule is as follows:

April 6	Maumee
April 9	Perrysburg
April 13	Whitmer
April 16	Clay
April 23	Anthony Wayne
April 30	Maumee

The 1953-54 basketball season for the Bulldogs was none too impressive, winning only three and losing sixteen, but we are looking for a better season next year, under the coaching of Rossford's new coach, Stan Weber. Most of the games were close, but the odds seemed to be against the boys.
